

CAREER OPPORTUNITY

Position: Machinist A
Location: Tulsa, OK
Classification: Full-Time, Non-Exempt

Job Summary:

Perform complex Layout, Machining and Drilling operations on components to close tolerances in order to meet production schedule requirements as directed by Production Manager.

Main Duties/Responsibilities:

- Ensure a safe working environment is maintained at all times.
- Review drawings and job requirements in order to pre-plan production.
- Work with the Quality Department to ensure all machining meets specified job requirements.
- Operate all types of Manual and CNC machine tools (i.e. horizontal and vertical boring mills, lathes, drills and milling type machines) in an efficient manner to close tolerances.
- Perform machining operations in support of production schedule requirements.
- Perform difficult layout work in accordance with drawings, standards, and specifications.
- Align and setup components in the machine tools.
- Assist lower level Machinists on proper machining and layout techniques.
- Report abnormal conditions of equipment to Production Manager.
- Assist other departments
- Work in a safe and secure manner and comply with the safety rules and procedures.
- Perform small repairs and preventative maintenance on the machine tools.
- Operate overhead cranes, forklifts, and other mobile equipment for the moving of material, components, and equipment from location to location within the plant.
- Perform general laborer duties as required (i.e. grinding, loading and unloading of trucks).
- Keep working area clean and perform housekeeping duties around the plant as required (i.e. pickup tools, roll-up hoses and cables, sweep).

Qualifications:

Any combination of education and experience providing the required skill and knowledge is qualifying. Typical qualifications would be equivalent to:

- Capable of planning and utilizing a variety of machine tools to produce close tolerance components.

- Capable of performing math computations involving decimals and fractions.
- Capable of reading and understanding Engineering drawings and documents.
- Capable of lifting 50 lbs. up to waist.
- Requires 4 years minimum of job-related work experience.
- Valid driver's license and proof of insurability required

Compensation:

The successful candidate will receive a competitive salary and an attractive benefits package which may include, but is not limited to: medical, dental, life insurance and flexible spending account.

Screening:

All candidates will be subject to drug and alcohol screening and a background check prior to employment.
